Dearest Members of the Neshaminy Girls Basketball Team:

On behalf of Pat Sr., Ryan and I many, many thanks to each of you and AHA-Inc for an amazing experience honoring our son as Honorary Captain on Tuesday, January 17.

Ryan was very hesitant to attend but with some coaxing made it to the event. There aren't enough social activities to support his efforts to productively socialize, so please understand that it wasn't that he wasn't touched by being asked.

BUT... lo and behold as soon as he made it onto the court, he lit up like a Christmas tree! In addition, he reveled in your happy, smiling, acknowledging faces and Pat and I will be forever grateful.

Although it was a loss for you that evening, you can rest assure Ryan will retain the events forever and with a tender fondness.

Thanks again and God bless,

Pat and Millie Wolf-Curley
