

Hi Rick,

I wanted to let you know how unbelievable this past football season has been. The connections that John has made with the kids on the Wood football team, the students and even some of the parents have been amazing. Every week he gets a couple of friend requests on Facebook from the kids from Wood. They have even invited him to their football banquet. I'm not sure who is enjoying this more, John, or my husband and I. My husband and I have also made new friends. It has just been a wonderful experience. We are already looking forward to next year.
